MIT Bldg 66-110 | 25 Ames Street, Cambridge

About the author

In *Strange Rebels*, veteran journalist Christian Caryl shows how the world we live in today—and the problems that plague it—began to take shape in this pivotal year. 1979, he explains, saw a series of counterrevolutions against the progressive consensus that had dominated the postwar era.

Christian Caryl is an American journalist who is widely published in international politics and foreign affairs. He has reported from some 50 countries and has held top posts in Moscow, Berlin, Tokyo and Washington. He is a senior fellow at the Legatum Institute in London, a contributing editor at *Foreign Policy* magazine and a senior research affiliate at the Center for International Studies at MIT. He is a regular contributor to *The New York Review of Books*.
